Guidelines for Holmdel Montessori School in Coordination with the New Jersey Department of Children and Families Office of Licensing New Jersey Health Department

Updated Guidelines

Holmdel Montessori has reassessed Covid 19 / variant, Monkey Pox and RSV numbers. We are happy to say right now the numbers are in a safe threshold and masks voluntary.

We are including these state guidelines/procedures in this letter to our families to work together to create a safe and healthy School environment. If you have any questions, please, contact susan@holmdelmontessorischool.com.

FYI: You can find updated information and screening forms on our website www.HolmdelMontessoriSchool.com, under COVID-19.

Drop off and Pick Up

Hours of Operation: 7:30 AM-5:30 PM in order to comply with the cleaning and sanitizing guidelines. We will revise as things change.

- **To minimize the # of people in the school, there will be no outside visitors permitted in the school during operating hours except emergency personnel, regulating officials and enrichment staff.**
- **Please keep social distancing or wait until you see the front door area is empty.**

Proceed to that entrance and a staff member will be waiting to greet you. Screeners will wear masks.

Daily Health Screening

- **There will be a daily symptom and temperature check with a contactless thermometer.** Any child or parent with a temperature of **100.4 and higher** or shows signs of sore throat, cough, shortness of breath chills, nausea and diarrhea will not be allowed to enter the building. If any staff or student has a temperature of **100.4 and higher** they must stay home, be fever free for 48 hours and have a Dr. note upon return.
- Parents will be asked to confirm the screening questions each morning. Each family will have a Pin # to include on the screening paper.
If a change of health has occurred, please, notify the school, per our CDC policy, as soon as possible.
A student, sibling of a student or employee with Covid 19 must isolate and Quarantine time of 5 days .After the 5th day if the infected person tests Negative, he/ she can return with a Dr. Note.
The quarantine guidelines include siblings because we see frequently, when one sibling is positive the other child will likely become positive.

Your child will be escorted, by a staff member, to wash their hands and then to class.

Quarantine time has been updated -School Policy and Health Dept For Domestic Travel and International Travel

Please follow the school CDC Policy

- Holmdel Montessori is a private school. The safety and health of our students and staff is a priority. Students traveling out of the United States must quarantine 3 days before returning to school. We recommend a Dr. note upon returning to school.

*If a child tests positive for Covid or a communicable disease

Students must quarantine 5 days and wear a mask for an additional 5 days upon return.

We recommend a Dr. note upon returning.

Pick-up Procedures

- Please call the school upon arrival. The staff will escort your child outside of the Front entrance. Please allow a few minutes for us to get your child's backpack.

Updated School Operating Procedures

- A child or staff member that develops symptoms of COVID-19 or cough, shortness of breath will be removed from the class and placed in an Unused classroom with a staff member until the child is picked up. As stated on the screening form, please be prepared to have an alternate pick-up person if you are unavailable.
- Our Head Teacher spends lots of time with your child. If they feel your child is under the weather, lethargic, and shows symptoms, she will call you (parent/ guardian) to pick up your child. We want to be safe instead of sorry. Please respect the Teachers opinion.
